## **Introduction**

This document outlines the latest updates to the CTIS system, including the secure Sponsor and Authority workspaces, and to the Clinical Trials website. Updates may include improvements to existing features and functionality, the addition of new features and functionality and technical improvements, such as improvements to system performance.

In this release, improvements have been made for:

- Other issues

## **Functional Improvements**

### **A. Other issues**

- An improvement has been implemented to optimize the performance of the Notices and Alerts tab within both the Sponsor and Authority workspaces. Notices and Alerts in CTIS will now be deleted 90 calendar days after they are received and will no longer be displayed. A banner has also been added within the tab to inform users of this change.
